1	Totoro	You can use this song as an action song anytime during the class.
		When the kids are restless you can ask them to stand up and
		move around the room.
2	Ouch. That hurts	Have the students say the sentences.
		Make 2 groups. One says " what's the matter?
		The other group says " I stubbed my toes." and so on.
4	I have a headache	There are small cards to hand out.
		For elder kids , have them say the sentences.
		Don't just let them pick up the cards without saying anything.
		"What's wrong ? "
		" I have a ~"
8	Phonics song	The purpose of this activity is teaching kids the SOUNDS of the letters
		not teaching alphabet.
		You should have them pick up the cards by listening to the
		sounds, not the letters. Say " a,a,a,a, " NOT "A"
9	How many shapes	For elder kids , have them say the sentences, not just picking up the cards
		" How may green triangles do you see?"
		" I see 4 green triangles."
		and so on.
13	Go round the village	Stand up, make a circle, hand in hand and walk.
